# Audi Extended Warranty

**100% Manufacturer International Warranty - complete trust and reliability, provided by Audi, for Audi.**

Audi offers you advanced technology, progressive design, outstanding quality – and top service. One special offer is the Audi Extended Warranty which systematically extends the standard two-year manufacturer's warranty for all models.

Order the Audi Extended Warranty as an option when buying a new car and you will enjoy a fully comprehensive manufacturer's warranty with protection against many unforeseeable repair costs. For up to three additional years and a maximum of 150,000 km.

In case of a claim, simply take your vehicle to your Audi Partner as usual. The partner will take care of the repair of your Audi. You don't receive a bill and don't have to worry about a thing!

**Complete peace of mind,  
provided by Audi.**

## **An overview of your advantages:**

- ▶ Fully comprehensive manufacturer's warranty – with no need to provide additional forms and signatures
- ▶ Cost transparency
- ▶ Up to three years after the standard manufacturer's warranty has ended and for a maximum mileage of 150,000 km
- ▶ Effective protection against many unforeseeable repair costs
- ▶ Coupled to the vehicle, creating a very powerful additional sales argument if the vehicle is resold
- ▶ Keeps your car at its best thanks to professional servicing in compliance with AUDI AG specifications
