

**True greatness  
comes from within**

The Audi A8 L

## Sharper design

A new headlight design, the progressive radiator protective grille and the revised air inlet grilles distinguish the sharper Audi A8 L.

# Think bigger

The new Audi A8 L embodies an exceptionally spacious environment as well as more headroom and legroom. Longer wheelbase and larger doors – design in a class of its own.

# Exceptional space

In the Audi A8 L you can enjoy a comfortable, extremely roomy interior with excellent seating comfort in the rear.

# More room for you

Take a seat and experience a feeling of spaciousness in your Audi A8 L. The comfortable seats and a modern, interactive display and operating concept that allows you to always keep an eye on driving information create an atmosphere that makes you feel at ease.

## Extraordinary accents

The rear end of the Audi A8 L is defined by the new design of the OLED rear lights as well as the chrome exterior package with additional chrome strip in the front and rear bumpers.

The sill trims provide sporty accents at the sides.
