

Legal and technical information pertaining to radio emitting devices

COUNTRY: INDONESIA

LABEL NAME: SDPPI SRD

Special Instructions for marking placement:

The Certificate bearer shall make and attach the label on each instrument and set of equipment and on the packaging before it is sold in Indonesia.

Certificate holder must attach warning sign on their Telecommunication tools and/or devices except for short range devices.

The packaging label must contain the QR code that can be found on the bottom right of each certificate.

If the labeling is not possible to be attached to the device then it is possible for the applicant to print the label in the user manual or installation instructions.

It is recommended that this document is kept alongside or inside the owner's manual.

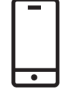

Audi hereby informs you of AUDI AG's declaration that the following components conform to the technical requirements as set out by SDPPI SRD.

 - Radio service  - Models

 - Requirements for SRD
